Hon Charles Mathias
United States Senate
Washington, D.C.

Dear Mac,

I do not know whether the copies of my letters to Senator Durenberger and George Lardner, prompted by two articles in today's Post, will interest you but I send them on the chance they might.

I do know that they do not require that you or your staff waste any time in acknowledgement. It isn't really necessary.

Our best to you all,

Harold Weisberg
